I have been living in Las Cruces, New Mexico since 1980. I have been practicing Dental Hygiene since 1979, and work with my husband, Joe Aday. He has an Orthodontic practice in Las Cruces; he is originally from Portales, NM. We have been involved in many endeavors besides Orthodontics, which have opened many doors and opportunities.

We have two sons, Curtis and Gregg, ages 17 and 15, respectively. They are pure boys, very active in many sports. Curtis is swimming and golfing for Las Cruces High School. Gregg is on the tennis team. Both are avid snow boarders, and excited about anything that has a motor. Thank goodness, that excludes girls!

Since the last reunion, I got a Master of Music Degree from UNM, taught music in Santa Fe, New Mexico and Red Mesa, Arizona and came back to Farmington four years ago. I played music with fellow "73" ers Jeff Boddy and Pete Amyx and also Bill and Robyn Woodard. Bill's a "73" er, but Robyn is a much younger "74" er. I got to play a few opening act gigs with Jeff and Pete, including Reo Speedwagon and Neil McCoy, but other than that, I'm doing a lot of the same stuff I've been doing for 30 years and loving it!

Therese & I have been very blessed by the Lord and are enjoying each day we have together; our oldest, Sarah, is graduating from Liberty Univ. this spring and is engaged to be married in August; Janine is graduating from Goddard H.S. this spring and will start college in the fall; Erik will be a sophomore next fall at Wando H.S. in Mt. Pleasant, SC where we are moving this June. We'll see how this desert rat handles ocean living where there is actual humidity along with gators and water moccasins. Should be interesting. Still working in the oil & gas industry (which has been both exciting at times but quite frustrating at others, but has never been dull); will still do it from SC by the way of the wonderful communication systems we are so blessed to have now.

Sometimes in our lives we all have pain, we all have sorrow;  
but if we are wise we know that there's always tomorrow.  
Please swallow your fright if I have faith you need to borrow.  
For no one can fill those of your needs that you won't let show.  
If there is a load you have to bear that you can't carry. I'm  
right up the road. I'll share your load if you'll just call me.

CHORUS:

You just call on me brother when you need a hand, we all need  
somebody to lean on. I just might have a problem that you'd  
understand; we all need somebody to lean on. Lean on me when  
you're not strong, I'll be your friend, I'll help you carry  
on. For it won't be long till I'm gonna need somebody to lean on.
